15	<u>Date of Detention Hearing</u> : May 31, 2011.	
16	The Court, having conducted a detention hearing pursuant to 18 U.S.C. § 3142(f), and	
17	based upon the factual findings and statement of reasons for detention hereafter set forth, finds	
18	that no condition or combination of conditions which defendant can meet will reasonably	
19	assure the appearance of defendant as required and the safety of other persons and the

- 2. The AUSA proffers a wiretap line sheet report which is alleged to be a recorded conversation between this defendant and a co-defendant, in which kidnapping or murder or an associate is discussed. Defendant's past criminal record includes a conviction for Murder in the 1st Degree and Robbery in the 2nd Degree from King County Superior Court. Defendant was released from state DOC supervision in December 2009. He is a deportable alien, being a citizen of Vietnam, but it is unlikely he would be deported to that country if convicted.
- 3. Taken as a whole, the record does not effectively rebut the presumption that no condition or combination of conditions will reasonably assure the appearance of the defendant as required and the safety of the community.

It is therefore ORDERED:

- 1. Defendant shall be detained pending trial and committed to the custody of the Attorney

 General for confinement in a correction facility separate, to the extent practicable, from

 persons awaiting or serving sentences or being held in custody pending appeal;
- 2. Defendant shall be afforded reasonable opportunity for private consultation with counsel;
- 3. On order of the United States or on request of an attorney for the Government, the person in charge of the corrections facility in which defendant is confined shall deliver the defendant to a United States Marshal for the pupose of an appearance in connection with a court proceeding; and
- 4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel

01	for the defendant, to the United States Marshal, and to the United State Pretrial Services
